Who are we?

MobiFin is a state-of-the-art digital financial platform meticulously designed to empower banks, fintechs, telecoms, credit unions, and digitechs, enabling them to elevate their customers' experiences.

Founded two decades ago as a fintech division of the Bankai group, MobiFin provides the ideal foundation for next-generation use cases, whether your focus is payments, banking, embedded finance, or transaction processing. Over 200 organizations trust MobiFin to deliver seamless financial services.

**Redefining banking and payments
for the world.**
