Who are we?

MobiFin is a state-of-the-art digital financial platform meticulously designed to empower banks, fintechs, telecoms, credit unions, and digitechs, enabling them to elevate their customers' experiences.

Founded two decades ago as a fintech division of the Bankai group, MobiFin provides the ideal foundation for next-generation use cases, whether your focus is payments, banking, embedded finance, or transaction processing. Over 200 organizations trust MobiFin to deliver seamless financial services.

Redefining banking and payments for the world.
